Dear Sir

In reply refer to

I am in receipt of the notification nominating to the Mysore city Municipal Council for which I thank the Government, but before accepting the same I should like to bring the following facts to their kind notice
I have been regularly nominated without a break for the last thirty years, and have done my duty to the best of my commons during this long period, serving both the Govt and the General Public honestly and straightforwardly without joining any of the local parties at any time
In spite of all this service, I am sorry, to submit that my work has not been appreciated by the Govt, whereas persons who joined the Mul Council long after me, and who has served for a short period on + off have become the recipients of Royal Honors by getting appropriate titles like the

In addition to this I have served for several years on the R Assembly and different Committees from time to time. I can safely say that all my energy has been spent in Public service for the last forty years, without any recognition by the Govt. I am now on my 65th year and my health is greatly affected. Hence I request the Govt to excuse me from accepting the kind offer of the Mysore only Mr Councillorship

Hoping to be excused for the trouble

Yours Sincerely
T Ethiraj

Subject - Nomination to the City Municipal Council in the vacancy caused by the resignation of Mr T S Alikhan

---

I am in receipt of your communication forwarding a copy of the Government orders appointing me as a Municipal Councillor in the existing vacancy I really thank the Government for having kept me in view for this nomination

In this connection I have to inform you that I happen to be a member of the All-Mysore State Muslim League, who have passed a resolution stating that the members should not accept such nomination to the Mysore City Municipal Council, unless Government recogmise separate electorate for Muslims As an individual, I feel that I cannot act against the Resolution framed by a Constitutional body of which I happen to be a member I further feel that their demand is just and wish that Government would grant it

I therefore, regret I am unable to accept the nomination offered in the light of the facts mentioned above

Thanking you
